M.H.D. FORM NO. 2105

Book 91 Misc Page 232

NW Cor SEC 9-101-14

This corner was originally established by Deputy Surveyor John Taylor of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1994 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug with county backhoe at the CL of township road E-W and in line with line fence south. Found no evidence of original PLS corner. Placed a 5/8" iron capped #13807 at the CL of road and in line with line fence south.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
