DOCUMENT NO. _____

M.H.D. FORM NO. 2105

S 1/4 Cor Sec 12-101-14

This corner was originally established by Deputy Surveyor John Taylor of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

Mower County records show an inplaced concrete monument with irons 55.0' N-S.

1999 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug at the centerline C.S.A.H. No. 11 E-W and in line with fence lines N-S. Located a 5/8"x16" iron 2' below road surface. Continued digging and found no other evidence of original PLS corner. Placed a cast iron monument above monument found at road surface.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
