DOCUMENT NO. _____

M.H.D. FORM NO. 2105

S 1/4 Cor Sec 20-101-14

This corner was originally established by Deputy Surveyor John Taylor of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder

No record of this corner was obtained from the above mentioned offices.

1999
This corner location falls in open cultivated field about 450 feet westerly of a Township Road. This corner is reestablished on the line prolonged from the Southeast corner of Section 20 through longstanding fence located by the township road and doubling the distance from the Southeast corner of the Southeast Quarter to the fence corner located at the Southwest corner of the Southeast Quarter of Southeast Quarter. This position is 1.9 feet North of a straight line between the Southeast corner and the Southwest corner of Section 20. This position is accepted as the perpetuation of the Public Land Survey corner.
