DOCUMENT NO. _____

M.H.D. FORM NO. 2105

SW Cor Sec 31-101-14

Deputy Surveyor John Taylor of the U.S. General Land Office originally established this corner in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

1955 Mower County notes state in place concrete monument 10" below surface.

2003 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug with backhoe on centerline of east and west road and centerline of 740th Ave north. Uncovered a concrete monument with 5/8" iron in center, one foot below road surface. Placed a cast iron monument over 5/8" iron in concrete monument. Monument is accepted as a perpetuation of the original PLS corner. Took new ties.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
