STATEMENT OF EVIDENCE
SE corner Section 28-101-14

This corner was originally established by Deputy Surveyor John Taylor of the US General Land Office in 1854. The government notes show this corner was marked with a wood post in the river bottom and the following bearing trees were marked:

16" Burr Oak	S 36° E	105 Links
8" Burr Oak	S 12° W	90 Links
10" Burr Oak	N 22 3/4° W	205 Links
10" Burr Oak	N 49½° E	190 Links

The following were contacted for section corner information:

Mower County Engineering Department

A record book in the office of the Mower County Engineer shows corner was marked with a concrete monument.

The Plat of Lewis Addition to the City of LeRoy shows a monument found.

1981 Jones, Haugh & Smith crew dug for corner using information on the Plat of Lewis Addition and uncovered a concrete monument 2.5 feet below road surface. Set a cast iron monument over concrete monument on road surface.

The monument found agrees with records from County Engineering Office and Plats filed in the City of LeRoy and is accepted as best evidence of the original public land survey corner.
