DOCUMENT NO. _____

M.H.D. FORM NO. 2105

S 1/4 Cor Sec 36-101-15

Deputy Surveyor John Quigley of the U.S. General Land Office originally established this corner in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

Mower County records show a monument at this corner. No ties

2003 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand and uncovered a 5/8" iron 2' deep over concrete monument. Set 5/8" iron with cast iron monument over 5/8" iron found, 0.60' below road surface. Monument fits the road plan location and is accepted as a perpetuation of the original PLS corner. Took new ties.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
