M.H.D. FORM NO. 2105

S 1/4 Cor Sec 11-101-16

This corner was originally established by Deputy Surveyor Charles Phipps & Edward Fitzpatrick of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

1922 Mower County Highway Dept. road plans show a concrete monument at this corner.

1981 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand and located 1"ø pipe over concrete monument and set 5/8"ø iron over concrete monument. This monument agrees with the 1922 County grading notes.

2004 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand located capped 5/8"ø 0.6± below surface, over concrete monument.

The monument fits occupation within the section is in agreement with the records and is accepted as best evidence of a perpetuation of the original public land survey corner.
