COUNTY RECORDER _____

By _____, Deputy

DOCUMENT NO. _____

M.H.D. FORM NO. 2105

S 1/4 Cor Sec 9-101-16

This corner was originally established by Deputy Surveyor Charles Phipps and Edward Fitzpatrick of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

1981 Mower Co. Highway Dept. personnel located this corner during regrading project, and reset it after grading project was completed.

2000 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, uncovered a Cast Iron Monument 3.60' South of centerline of bituminous surface and inline with fence to the North. This location is in agreement with 1981 Mower Co. notes.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
