COUNTY RECORDER _____

By _____, Deputy

DOCUMENT NO. _____

SE Cor Sec 8-101-16

This corner was originally established by Deputy Surveyor Charles Phipps and Edward Fitzpatrick of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

Mower County Highway Department road plan show an inplace iron rod.

1999 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand at the intersection of C.S.A.H. No. 7 south and east and C.S.A.H. No. 5 north. Located a Harrison monument 1.6' below road surface. Placed a cast iron monument above monument found at road surface.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
