SE Cor SEC 35-102-17

This corner was originally established by Deputy Surveyor John Ball of the U.S. General Land Office in 1853. The government notes show a wood post was set with a mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

1930+- Mower Co. road plans show a monument in this location.

1977 Jones, Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand at the intersection of township roads. Found a 2x2' wooden hub on the North side of a 1'x4"x1/2" metal object. Placed a 5/8" iron on the South side of the wood hub.

1995 Set a cast iron monument over 5/8" iron found.

The monument fit occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
