This corner was originally established by Deputy Surveyor William Anderson of the U.S. General Land Office in 1854. The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1885 Clausen field notes state that he placed a fence post at the North 1/4 of section 1.

1993 Jones, Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug with county backhoe 3 feet South of the CL of township road E-W and found a 1"x2" iron bar and placed a cast iron monument over it.

The monument fit occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
