COUNTY RECORDER _____

By _____, Deputy

DOCUMENT NO. _____

M.H.D. FORM NO. 2105

N1/4 Cor Sec 5-102-14

This corner was originally established by Deputy Surveyor John Taylor of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1999 Jerome Schwarz, RLS #13810 set this corner.
Property owner SE of corner told crew that a tile had been dug in deep and on the centerline of the road +/- 10 years prior. Jerome Schwarz checked with metal locator and found nothing. He set a 5/8" x 18" iron pipe down 0.5'. Took new ties.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
