COUNTY RECORDER _____

By _____, Deputy

DOCUMENT NO. _____

M.H.D. FORM NO. 2105

NE Cor Sec 5-102-14

This corner was originally established by Deputy Surveyor John Taylor of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1999 Jerome Schwarz, RLS #13810 using a backhoe, dug a hole 8'x8'x4' deep to virgin soil and found no evidence of P.L.S. corner.

Set corner by Doubling the distance from the north between the 1/4 corner occupation and the 1/16 corner occupation.

Set corner for E-W: Set corner at even split of 1/4 corner occupation 1/2 mile west and 1/2 mile east.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
