This corner was originally established by Deputy Surveyor John Taylor of the U.S. General Land Office in 1853. The government notes show a wood post was set with a mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

1951 County records show a magnetic iron placed over a stone in place at this location.

1995 Jones Haugh and Smith crew, under direct supervision of John Schulte, Mower County Surveyor RLS 13807 dug with county backhoe at CL CL twp. road and CSAH 3 and found the cast iron 1' deep. The cast iron was accepted as the true corner.

The monument fit occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
