DOCUMENT NO. 138893

M.H.D. FORM NO. 2105 BOOK 88 PAGE 185 Book 88 Misc Pg 185

SW Cor SEC 22-102-14

This corner was originally established by Deputy Surveyor John Taylor of the U.S. General Land Office in 1853. The government notes show a wood post was set with a mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

County records show a concrete monument at this location.

1995 John Schulte, Mower County Surveyor RLS 13807 dug with county backhoe at CL CL twp. road and CSAH 14. The conc. monument was found in clay tile 4' below the road surface over a field stone. The monuments were left as found and a CIM was placed at the road surface.

The monument fit occupation and is in agreement with the record. It also fits road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
