DOCUMENT NO. _____

M.H.D. FORM NO. 2105

SE Cor Sec 28-102-14

This corner was originally established by Deputy Surveyor John Taylor of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

Mower County C.S.A.H. No. 14 road plan shows an inplace concrete monument.

5/16/00 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug with Mower County backhoe at the CL CL intersection of township road E-W and C.S.A.H. No. 14 N-S. Located a 1"X24" rebar 2' below road surface which was C.S.A.H. No. 14 PI.

6/16/00 Jones Haugh and Smith crew dug 8' west of PI and located a concrete monument 2' below road surface and placed a 5/8" iron above near road surface.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
