DOCUMENT NO. _____

M.H.D. FORM NO. 2105

W ¼ Corner Section 5-T102N-R15W

Deputy Surveyor John Quigley of the U.S. General Land Office originally established this corner in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

1986 Tucker Land Surveying dug at this location an uncovered a 1" iron shaft and set rebar and cap above found monument.

2004 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand at said location and located a ½" rebar 0.60' below road surface. Corner is in agreement with 1986 record by Tucker Land Surveying and is best evidence of corner location.

The monument is in agreement with the record and is accepted as best evidence of a perpetuation of the original public land survey corner.
