COUNTY RECORDER _____

By _____, Deputy

DOCUMENT NO. _____

M.H.D. FORM NO. 2105

NW Cor Sec 13-102-15

Deputy Surveyor John Quigley of the U.S. General Land Office originally established this corner in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

1925 Mower County Highway Dept. road plan shows a corner and ties at this location.

1969 Mower County Highway Dept. road plan shows a concrete monument inplace at this location.

1970 Mower County records state a magnetic monument inplace at this location.

2002 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand at location of signal from magnetic locator and found a CIM. Monument fits the 1969 road plan location and is accepted as a perpetuation of the original PLS corner. Took new ties.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
