N 1/4 Cor SEC 15-102-16

This corner was originally established by Deputy Surveyor John Quigley of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1997 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug with county backhoe at the CL of CSAH No. 3 and at split of county road plan mile 5281.20. Dug to virgin soil and found no evidence of original PLS corner. Placed a cast iron monument at road surface. Set monument at a split between the NW and NE section corners.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
