NE Cor SEC 15-102-16

This corner was originally established by Deputy Surveyor John Quigely of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

Mower County records state concrete monument in place.

1997 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug with county backhoe, uncovered 5/8" x 1.5' iron. Continued digging and uncovered a concrete monument with 1/2" iron pin in center 2' deep. Set 5/8" x 16" iron with cast iron monument over monument found.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
