DOCUMENT NO. _____

M.H.D. FORM NO. 2105

W 1/4 Cor Sec 9-102-17

This corner was originally established by Deputy Surveyor William Anderson of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

1972 Jones Haugh and Smith crew located corner using Mower County ties.

1989 Jones Haugh and Smith crew located corner using Mower County Highway Department road plans.

1998 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand 33' north of centerline of CSAH No. 3 and in line with line fence north. Located an aluminum monument.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
