DOCUMENT NO. _____

E 1/4 Cor Sec 9-102-17

This corner was originally established by Deputy Surveyor William Anderson of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Minnesota Highway Department
Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

Mower County CSAH No. 3 R/W map shows a location for this corner.

Minnesota Highway Department T.H. No. 56 R/W map shows this corner is 37.4' right of station 78+68.7.

1989 Jones Haugh and Smith crew set corner using CSAH No. 3 road plans.

1998 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand at 37.4' west of centerline intersection of T.H. No. 56 N-S and CSAH No. 3 E-W. Located an iron pin on the centerline of CSAH No, 3 which is in agreement with 1989 location.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
