STATEMENT OF EVIDENCE

E 1/4 corner Sec 12-102-17

This corner was originally established by Deputy Surveyor John Ball of the U.S. General Land Survey Office in 1853. The government notes show this corner was marked with a wood post and the following ties were taken:

10" Burr Oak	S 1/2° E	500 links (330.0')
10" Burr Oak	N 1° E	706 links (465.96')

The following were contacted for section corner information:
Mower County Engineering Department
Mower County Recorder's Office

1954 The County Engineer's Book "A" shows a concrete monument inplace in accordance with Mower County Road Plan and ties.

1985 Jones, Haugh & Smith crew found a concrete monument 1.7 feet deep. Placed a cast iron monument on road surface over monument found.

Corner found fits occupation fence lines south and agrees with past records. Therefore accepted corner as best evidence of a perpetuation of the public land survey corner.

For electronic survey data and analysis contact the firm of Jones, Haugh & Smith Inc.
