No record of this corner was obtained from the above mentioned offices.

1995 Jones, Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, placed a cast iron monument at the intersection of straight lines between the E-W and N-S 1/4 sec lines. The corner set fit fence line N-S and CL E-W road.

The monument fit occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
