By _____, Deputy

DOCUMENT NO. _____

M.H.D. FORM NO. 2105

NE Cor SEC 23-102-17

This corner was originally established by Deputy Surveyor William Anderson of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1997 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug with the county backhoe at the intersection of CSAH No. 19 N-S and township road west. Uncovered a concrete monument with a 1/2" iron at a depth of 3.5'. Placed a cast iron monument over concrete monument found.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
