Statement of Evidence

CENTER QUARTER CORNER SECTION 8, TOWNSHIP 102 NORTH, RANGE 18 WEST, 5TH P.M.

1967 — County Road Plans show a concrete monument inplace. See also page 119 of Surveyors Record.

July 9, 1990 — Steven J. Thompson of Zenk Read Trygstad & Associates, excavated with a backhoe a trench 5.3' below surface 2.3 East to 2.0 West of centerline of County Road 21 and from centerline to 8 feet North of County Road 51, and found a stone 1.0x0.5.x1.4 H and 3.5 feet below the surface. A concrete monument was found directly above the stone 1.6 feet below the surface and a 3/4 inch Rebar was found directly above that.

No evidence of the survey placing the stone was found and no survey was made to determine whether this monument agrees with the intersection of the Quarter Lines.
