Civil Engineers & Land Surveyors
Albert Lea, Minnesota

Statement of evidence relative to this corner location is on back of page.

## STATEMENT OF EVIDENCE

SW Corner Section 21-T102N-R18W

This corner was originally established by Deputy Surveyor William I. Anderson of the U.S. General Land Office in 1854. At 5280 feet, set corner post for sections 20, 21, 28, and 29, raised mound of earth with trench and pit, as per instruction, planted Cherry NE Locust SW.

No previous information was found in Mower County records.

25 August 2003: Jones, Haugh, & Smith crew found a wood post at corner. The wood post fits occupation lines within the section, and is accepted as best evidence of the position of the original Public Land Survey corner.

April 4, 2025: Jones, Haugh, & Smith crew recovered wood post. Checked existing ties using the top of center of wood post and left in place and made ties.

For electronic survey data and analysis, contact the firm of Jones, Haugh and Smith Inc.
