DOCUMENT NO. _____

M.H.D. FORM NO. 2105

W 1/4 Cor Sec 27-102-18

Deputy Surveyor William I. Anderson of the U.S. General Land Office originally established this corner in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

Mower County records state that a concrete monument was in place, 3' south of corner fence post.

1996 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand at Mower County records location and uncovered a 5/8" x 24" iron. Continued to dig and uncovered a concrete monument with an iron pin. Replaced 5/8" iron over monument as found.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
