DOCUMENT NO. _____

M.H.D. FORM NO. 2105

W 1/4 Cor SEC 28-102-18

This corner was originally established by Deputy Surveyor John Quigley of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1988 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug with the county backhoe at the centerline of township road E-W and township road south. Uncovered a 5/8" iron. Continued digging to virgin soil and found no other evidence original PLS corner.

1997 Jones Haugh and Smith crew located 5/8" iron.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
