Civil Engineers & Land Surveyors
Albert Lea, Minnesota

Statement of evidence relative to this corner location is on back of page.

STATEMENT OF EVIDENCE

E1/4 Corner Section 33-T102N-R18W

This corner was originally established by Deputy Surveyor William I. Anderson of the U.S. General Land Office in July, 1854. At 2640 feet, set section post, 8" Burr Oak post N 45° W 111 links (73.26 feet), 11" Burr Oak post N 83° 30'00" E 77 links (50.82 feet).

17 April 1981: Jones, Haugh, & Smith crew searched area of corner and found a fence post. A 5/8" rebar and cap #13807 was placed on the North side of fence post.The fence post fits occupation within the section and is accepted as best evidence of original location of the Public Land Survey corner.

April 8, 2025: Jones, Haugh, & Smith crew recovered 5/8" diameter rebar & yellow cap stamped 13807 in place and made ties.

For electronic survey data and analysis, contact the firm of Jones, Haugh and Smith Inc.
