Statement of evidence relative to this corner location is on back of page.

STATEMENT OF EVIDENCE

E1/4 Corner Section 36-T102N-R18W

This corner was established by Deputy Surveyor E.T. Norris in August, 1853. The government notes show a wood post was set and mound with trench and pits per instructions during public land survey.

August 22, 2002: Jones, Haugh & Smith crew dug with Mower Co. backhoe at centerline N-S of township road and in line with line fences E-W. Uncovered Field Stone at 2.0± feet. Stone fits centerline of township road and is in line with fences E-W. Placed iron capped 13807 on north side of stone and set 5/8" x 16" iron with aluminum monument over found stone, 0.6± below road surface.

February 13, 2025: Jones, Haugh, & Smith crew recovered a Aluminum monument that was set in August 2002. Checked existing ties. Left aluminum monument in place and made new ties.

For electronic survey data and analysis, contact the firm of Jones, Haugh and Smith Inc.
