Civil Engineers & Land Surveyors
Albert Lea, Minnesota

Statement of evidence relative to this corner location is on back of page.

STATEMENT OF EVIDENCE

N1/4 Corner Section 36-T102N-R18W

July 1854: This corner was originally established by Deputy Surveyor William I. Anderson of the U.S. General Land Office in July, 1854. The government notes show a wood post was set with a mound of earth and trench.

November 3, 1982: Jones, Haugh & Smith searched area of corner during survey in Section 25 and accepted fence corner as best evidence of marking the position of the original public land survey corner.

April 16, 2025: Jones, Haugh & Smith crew searched a 10' radius of corner location and found no monument. Used obliterated methods to recover corner position from existing monumentation of previous surveys and set 5/8" rebar & yellow cap stamped 22705 and made ties.

For electronic survey data and analysis, contact the firm of Jones, Haugh and Smith Inc.
