Statement of evidence relative to this corner location is on back of page.

STATEMENT OF EVIDENCE

NE Corner Section 36-T102N-R18W

This corner was established by Deputy Surveyor E.T. Norris in August, 1853. The government notes show a wood post was set and mound with trench and pits per instructions during public land survey.

August 22, 2002: Jones, Haugh & Smith crew dug with Mower Co. backhoe and uncovered rock 2.0± feet deep. Rock fits centerline N-S of township road and line fence west. Placed a 5/8" Ø iron on north side of found rock. Set 5/8" x 16" iron with Aluminum Monument over found rock 0.6± feet below road surface

February 13, 2025: Jones, Haugh, & Smith crew recovered a 5/8"Ø rebar with broken off Aluminum Monument that was set in August 2002 and 5/8"Ø rebar capped 13807 0.1± feet East. Checked ties and left 5/8"Ø rebar and capped 13807 rebar in place.
