STATEMENT OF EVIDENCE

NE cor Sec 1-103-14

1853 John Ball, Deputy Surveyor set a post for corner during the original public land survey.

1910 Irving Bacon set a concrete monument with an iron rod in the center.

1955 Mower County Highway Department uncovered concrete monument and ties were taken and recorded in 'Book A' in the Office of the Mower County Engineer.

1974 Fillmore County Surveyor found a rotted wooden stake from an 1"x2" hub above a concrete monument with an iron rod in the center and accepted it as the perpetuation of the original government corner.

1991 Jones, Haugh & Smith Inc personnel uncovered a 1/2" diameter iron in a 6" diameter concrete monument 1.0 feet below the road surface. Left the monument as found.

The monument found fits occupation and road centerlines and is accepted as best evidence of a perpetuation of the original public land survey corner. Placed a cast iron monument at road surface over concrete monument found.
