County Recorder _____

By _____, Deputy

DOCUMENT NO. _____

Northeast Corner of Section 6, Township 103 North, Range 14 West, 5th P.M., Mower County Minnesota.

Statement of Evidence

1853 John Ball, deputy surveyor, set a post at the corner and found:
N 87°30'E 1643 links to 6" Burr Oak
N 90°W 485 links to 14" Burr Oak
S 50°E 480 links to 14" Burr Oak

May 2, 1994 Steven J. Thompson, LS 22705, excavated a 4 foot deep trench using a backhoe and extending 4 feet north and 4 feet south of the township road centerline and 6 feet west by 7 feet east of the North-South fence line. A 0.8 foot diameter by 1.3 feet high stone was found with the point up 2.0 feet below the surface.

An analysis of the record gives no indication of the origin of the stone. Stones of similar size and shape have been found at other corners throughout the county. The stone is accepted as marking the location of the original public land survey corner.
