STATEMENT OF EVIDENCE:

NORTHEAST CORNER SECTION 7-T103N-R15W

1853 - John Quigley, Deputy Surveyor, set a section corner post, built mound with trench per instruction put handful small stone in center and planted osage and orange seeds in Southeast Corner during the Original Public Land Survey.

1952 - Mower County Highway Department notes show an inplaced concrete monument.

1986 - Tucker Land Surveying notes show an inplaced concrete monument set 1/2" rebar with cap stamp RLS 15471.

1990 - Mower County Highway Department notes show an inplace 1/2" rebar with cap stamped RLS 15471.

June 1990 - Tucker Land Surveying excavated this location and found a concrete monument 2.5 feet west of centerline North 0.50 feet deep continued down found another concrete monument 1.80 feet deep below the first one.

The above corner agrees with a electronic survey made of monuments and occupation lines in the area and is accepted as a perpetuation of the public land survey corner.

For details of the analysis and electric survey data contact: Tucker Land Surveying, Dexter, MN 55926.
