COUNTY RECORDER _____

By _____, Deputy

DOCUMENT NO. _____

M.H.D. FORM NO. 2105

SE 1/4 Cor Sec 7-103-16

This corner was originally established by Deputy Surveyor John Quigley of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

Mower County records & road plans show a stone under magnetic monument.

2004 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand at the intersection of centerline of County State Aid Highway No. 20 and fence line to the west. Located a cast iron monument .5'± below road surface. Which agrees with data on Mower County road plans. Took new ties.

The monument aggress with the Mower County records and fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
