M.H.D. FORM NO. 2105

STATEMENT OF EVIDENCE

E 1/4 corner Sec 9-103-17

This corner was originally established by Deputy Surveyor William Anderson of the U.S. General Land Office in 1854. The government notes show this corner was marked with a wood post. The following ties were taken:

11" Burr Oak	S 68° W	440 links (290.40 ft)
14" Burr Oak	N 45° E	60 links (39.60 ft)

The following were contacted for section corner information:
Mower County Engineering Dept.
Mower County Recorder's Office

1990 Jones, Haugh & Smith Inc crew using plat information from the Village of Brownsdale and Minnesota Department of Transportation information on Trunk Highway No. 56 right-of-way, established position of 1/4 corner and placed a chiseled 'X' in concrete pavement 3.4 feet west of centerline crack of highway.

The corner fits plats in the Village and occupation within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.

For electronic survey data and analysis contact the firm of Jones, Haugh & Smith Inc.
