DOCUMENT NO. 447680

M.H.D. FORM NO. 2105 BOOK 92 PAGE 364

Book 92 Misc Page 364

E 1/4 Cor SEC 29-103-17

This corner was originally established by Deputy Surveyor William Anderson of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1996 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807 set a 5/8" iron capped RLS 13807 in the north end of a bridge deck in accordance with a 1975 JHS survey. The corner fits the CL of the road and is in line with a fenceline to the west.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
