Book 92 Misc Page 368

E 1/4 Cor SEC 30-103-17

This corner was originally established by Deputy William I. Anderson of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

Mower County Highway Department R/W plans shows a corner at this location.

1995 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand and found a 3/4" pipe on centerline of CSAH NO. 24 and centerline of the township road west, in line with line fence east. This monument is in agreement with the Mower County records. Set cast iron monument over pipe found, at road surface.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
