N 1/4 Cor SEC 17-103-18

This corner was originally established by Deputy Surveyor William Anderson of the U.S. General Land Office in 1854. The government notes show a wood post was set.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1995 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug with county backhoe at CL CL intersection of twp. roads. Excavated a 12' X 12' X 4.5' deep hole in which a 10" X 14" pointed stone was found. The stone was found 2' deep, point up. It fits the occupation to the west and south.

The monument found fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.

For electronic survey data and analysis, contact the firm of Jones, Haugh and Smith Inc.
