This corner was originally established by Deputy Surveyor William Anderson of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1995 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, set cast iron monument on a straight line between the W 1/4 corner of section of 15 and E 1/4 of section 21. Fits CL of S.T.H. No. 218 and CL of township road west and field division east.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
