SE Cor SEC 19-103-18

This corner was originally established by Deputy Surveyor William Anderson of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

Mower County Book "A" shows a corner at this location and CSAH #27 R/W plans also show a corner at this location.

1996 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, located a concrete monument with a 1/2" iron pin in accordance with Mower County Highway Department notes and C.S.A.H. #27 grading plan.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
