This corner was originally established by Deputy Surveyor William I. Anderson of the U.S. General Land Office in 1854. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

Mower County Hwy plans show a monument at this location.

1983 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, found concrete monument in accordance with Mower County ties and road plans.

1995 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, set 5/8" iron capped 13807, over concrete monument. In agreement with 1981 records.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
