DOCUMENT NO. _____

M.H.D. FORM NO. 2105

SE Cor Sec 29-104-15

Deputy Surveyor John Quigley of the U.S. General Land Office originally established this corner in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

1929 Mower County records state an in place iron pin.

2003 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug with Mower County backhoe on centerline East-West road and centerline TWP. Road South. Uncovered a concrete monument with iron pin 1.5' deep. Set 5/8" iron with cast iron monument over concrete monument found.

The monument fits occupation and road centerlines within the section and is in agreement with the record and is accepted as best evidence of a perpetuation of the original public land survey corner.

For electronic survey data and analysis, contact the firm of Jones, Haugh and Smith Inc.
