DOCUMENT NO. 454027

M.H.D. FORM NO. 2105

BOOK 93 PAGE 317

N 1/4 Cor SEC 5-104-16

This corner was originally established by Deputy Surveyor Elisha S. Norris of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Tucker Land Surveying

1984 R.J. Tucker excavated for this corner with Mower County backhoe and found granite stones at this location.

1997 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, reset this corner using information from R.J. Tucker. The corner is on a straight line between the NW corner of section 5-104-16 and the SW corner of section 34-105-16.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
