By _____, Deputy

DOCUMENT NO. _____

M.H.D. FORM NO. 2105

E 1/4 Cor Sec 19-104-16

This corner was originally established by Deputy Surveyor Charles Phipps and Edward Fitzpatrick of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

1972 Mower Co. Highway Dept. personnel located this corner during regrading project, and reset it after grading project was completed

2000 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, uncovered Cast Iron Monument on the centerline of CSAH No 20 inline with East-West fence line. This location is in agreement with 1972 Mower Co. notes.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
