This corner was originally established by Deputy Surveyor John Fitzpatrick of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Tucker Land Surveying

1956 Mower County records state a concrete monument was in place.

1975 Jones Haugh and Smith crew uncovered corner. Corner was accepted as perpetuation of original public land survey corner. Took new ties.

1986 Mower Co. Highway Dept. personnel located this corner during regrading project, and reset it after grading project was completed

2000 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, uncovered Cast Iron Monument on the intersection of centerlines of CSAH No 1 and CSAH No 20. This location is in agreement with 1986 Mower Co. notes.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
