This corner was originally established by Deputy Surveyor Elisha S. Norris of the U.S. General Land Office in 1853. The government notes show a wood post was set with mound of earth and trench.

The following were contacted for section corner information.

Mower County Highway Dept.
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1983 Jones Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug with county backhoe at the CL of township road E-W and township road south and located a bolt and iron at a depth of 3+- feet by the remains of a wood stake.

1995 Left monument as found a placed a 5/8" iron over it.

The monument fits occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
