S 1/4 Cor SEC 16-104-17

This corner was originally established by Deputy Surveyor John Fitzpatrick of the U.S. General Land Office in 1853. The government notes show a wood post was set.

The following were contacted for section corner information.

Mower County Highway Dept.
Mower County Recorder
Zenk Engineering
Tucker Land Surveying

No record of this corner was obtained from the above mentioned offices.

1995 Jones, Haugh and Smith crew, under direction of John Schulte, Mower County Surveyor RLS 13807, dug by hand at the intersection of fence N-S and Fence E-W. No evidence of the original corner was found. A cast iron monument was placed in the center of the rock pile.

The monument fit occupation and road centerlines within the section and is accepted as best evidence of a perpetuation of the original public land survey corner.
